choking hazard.

Disposal of Electrical & Electronic Equipment

This symbol indicates that all electrical and electronic equipment included with this product should not be treated as household waste. Instead, it should be left at the appropriate collection point for the recycling of electronic equipment. By ensuring this product is disposed of correctly, you are helping to prevent negative consequences for the environment and human health. To recycle this product, please contact your local city office, environmental protection agency, household waste disposal service or where you purchased the product to learn more about appropriate recycling methods.

Battery
It is recommended that you completely use the initial charge
up, then recharge the product at least two more times to
ensure the best possible performance. A rechargeable
battery can be charged and discharged over one hundred
times. However, it will eventually wear out—this is not a
defect and corresponds to normal everyday use. When the
operating or standby time is noticeably shorter, it may be a
sign that the battery has reached the end of it's life span.
Please do not make repairs, modifications, or installations
without contacting an authorized Lifetrons representative.

Limited Warranty
If within 12 months of purchase this product or any part
thereof is proven to be defective by reason of faulty
workmanship or defect in materials, we will repair or replace
the same product free of charge of labor or materials on
condition that.

- the same product need of others.

 ondition that:

 1. The original invoice or sales receipt with the date of purchase is presented with the defective unit.

 2. Lifetrons does not take any responsibility for lost information of any kind and will not reimburse you for any
- Such loss.
 3. The limited warranty is only valid if the original proof of purchase for this product, issued by a Lifetrons authorized dealer, specifying the date of purchase, is presented with the product to be repaired or replaced.

- Lifetrons reserves the right to refuse warranty service if this information has been removed or changed after the original purchase of the product from the dealer.

 4. The warranty does not cover product failures which have been caused by use of accessories or other peripheral devices which are not Lifetrons branded original accessories intended for use with the product. The warranty does not cover any damage caused by misuse, abuse, neglect or accidental breakage.

 5. The warranty does not cover product failures caused by modifications, repairs or disassembly by any person not authorized by the manufacturer.
